

## Online Professional Development Seminars

Primary Document Classroom Application Guide
Text:
1. Standard
Which state or national curricular standard or competency will this document assist me in teaching? Will this document help me cover an entire standard or just a portion of one? What benchmarks or objectives will it cover under this standard?
2. Essential Unit Understanding
What are the learning goals of this unit? Among them, which one(s) will this text address? Is the there a clear relationship between the unit understanding and the relevant curricular standard? Does the unit understanding employ the language of the standard?
3. Essential Text/Concept Understanding
What, specifically, do I hope students will understand after studying this text? What do I want them to know or be able to do? What concept(s) do I want them to remember from the study of this text? How does this understanding address the relevant standard? How does this understanding reinforce the overall unit understanding? Does it employ the language of the standard and the unit understanding?
4. Key Passage (If you do not plan to assign the entire text, excerpt direct quotes.)
Does this portion of the text contain the elements of the text understanding?

5. Questions	
How do my discussion questions lead students to the text understanding? Do they refer	
	Ŧ
directly to details in the text? Do the questions employ the language of the standard, the unit	ι
understanding, the text understanding?	
Sample question prompts:	
Sample question prompts:	
a. Knowledge/Comprehension	
What is	
How would you define	
What is the main idea of	
b. Application	
How would you use	
What other way could you	
What would happen if	
c. Analysis	
Compare and contrast	
How does this text relate to (title)	
How would you classify	
What inferences or conclusions can you draw	
What is the audience for this text	
What is the author's purpose in writing	
Why do you think the author said	
What is the effect of the author's language	
What is the tone of the text	
How have the circumstances of its creation (time, place, etc.) shaped this text	

d.	Synthesis
	Create or design
	Compiling what you know, how would
	What alternatives can you propose for
	How would you make this argument today
	now would you make this argument today
е.	Evaluation
	What is the importance of
	Judge which is better
	Justify the reasons for
	How effective is the argument
	Does the author achieve his/her purpose
6.	Evidence of Understanding
